

CONCERTS

CLINICS

WORKSHOPS

Plan ahead!

Book Kory now ! for a live concert presentation for your music students . Kory's concerts formats include soloist (piano/vocalist) trio & quintet. He performs from an eclectic repertoire that includes Blues, Jazz, standards and his own compositions.

In music clinics Kory works with stage bands, choirs, combos, chamber groups & orchestras.

Workshops are available in improvisation, applied theory, composition & song writing. Workshops are suitable for both singers instrumentalists.

...give your students the advantage of working with an experienced professional !

Kory has been sharing his knowledge, experience, & love of music with thousands of High School students across Ontario for the past 18 years.

All of his concerts, clinics & workshops have learning outcomes based on the new Ontario Curriculum.

Being a professional musician, composer & experienced educator, Kory fully understands the needs & potential of the modern day music student.
